

Wales Accord on the Sharing of Personal Information

Declaration of Acceptance and Participation

Llywodraeth Cymru
Welsh Government

Formal adoption of the Accord is the responsibility of the Chief Executive or Chief Officer of either a statutory body, private or voluntary sector organisation. By signing this declaration, each signatory organisation agrees to support the adoption, dissemination, implementation, monitoring and review of the Accord and its requirements in accordance with its own internal operational policies and procedures. To facilitate this, each organisation will identify a 'Designated Person' who will have responsibility for ensuring the commitments under the Accord are implemented and monitored within their organisation.
